

## Project agreement for the module *Programming Project*

The first part of the form has to be signed before the start of the programming project. After completion of the project, the form must be submitted or sent by e-mail – fully completed and with all necessary signatures – to the Examination Office of the Mathematical Institute (Room 333, Ernst-Zermelo-Str. 1).

Matriculation no.  First name  Last name

For the module *Programming Project* within the *M.Sc. Mathematics in Data and Technology*,  
I was given by  on  .  . 20  the project

☐ I confirm that I am familiar with the rules of good scientific practice as outlined on the web page of the Mathematical Institute.

☐ I am aware that I have to submit the well documented programme code to the supervisor in order to complete the module and to obtain the credit points.

.  . 20

Date (DD/MM/YYYY) Signature student

### Before starting: Confirmation of the supervisor of the programming project

I agree to supervise and evaluate the above-described project. The workload of the project corresponds to 9 ECTS credits (a total of 270 hours or 7 full-time weeks).

.  . 20

Date (DD/MM/YYYY) Signature supervisor

If the supervisor is not professor at the Mathematical Institute, nor co-optated, confirmation of the responsible professor of the module, Peter Pfaffelhuber:

Hereby I agree with the topic assignment and the supervision.

.  . 20

Date (DD/MM/YYYY) Signature Peter Pfaffelhuber

### After completion: Confirmation of the supervisor of the programming project

The above described programming project has successfully been completed and the documented programme code has been submitted to me. The workload corresponds to 9 ECTS credits.

.  . 20

Date (DD/MM/YYYY) Signature supervisor
